

Climate Protection Campaign

Web Based Trip Tracking: School Commute Challenge Tool Certification of Receipt of Addendum

December 23, 2011

All questions issued by proposers during the three-week announcement period (December 2, - December 23) have been posted to the Climate Protection Campaign web site www.climateprotection.org. I have read all updated information related to the trip tracking tool RFP. Please include a signed hardcopy of this form with your project proposal.
